B a n g a l o r e.

Sir,

Adverting to corresponding/with Government Proceedings No.5512-4 dated the 23rd May 1907, regarding the restoration of the Inam Umathur tank of Chamarajnagar Taluk, I have the honor to forward herewith, a copy of letter No.6535 dated the 20th September 1913, from the Superintending Engineer, Southern Circle, reporting the completion of the work with a small excess of Rs.700 over the sanctioned estimates amount-ing to Rs.27,343.

2. As only Rs.26,233 is reported to have been placed at the disposal of this Department against the total expenditure of Rs.27,043 the balance of Rs.1110 may now be kindly ordered to be made available to allow of the accounts being finally closed.

I have the honor to be,

S i r,

Your most obedient servant,

SUBJECT.

Letter No.6535 dated Bangalore 20/22nd September 1913, from the Superintending Engineer, Southern Circle, Bangalore, to the Chief Engineer of Mysore, Bangalore.

- - -

I have the honor to inform you that the Executive Engineer, Mysore Division reports that the work on the Gomathur Tank, Regd: No.27 of Chamarajanagar Taluk has been completed and arrangements are made for its being handed over to the Revenue Department.

2. Owing to the bund having got much worn out since the original estimate for it was sanctioned for Rs.5259/- in Government Proceedings No.5803-5 of the 19th June 1906, the completion of the bund to standard has cost Rs.700 in excess. As the total of all the estimates sanctioned amounted to Rs.27,243 and the excess is less than 3 per cent, the same has been passed, in consideration of the long period during which the work has been progressing.

3. The whole work is reported to have been executed from the deposit amount of Rs.26,938/- credited from the Fuzrai Department, and the balance viz., Rs.1110/- may kindly be arranged to be transferred to this Department at an early date, to enable final payment being made and accounts closed.
